Four Futures: Life After Capitalism by Peter Frase Jessica Rosa In this book Peter Frase examines four different models of economic systems through four different hypothetical futures. The author obviously disputes that capitalism is the best economic system, so this is a book best appreciated if you're open to that kind of discussion. Four Futures: Life After Capitalism (Jacobin): Peter Frase ... In Four Futures: Life After Capitalism, Peter Frase uses metaphor from popular culture, for example, Star Trek, to describe what life might look like after capitalism, whether we evolve into each future or have it thrust upon us on two axis: equality v. hierarchy and abundance v. scarcity. Four Futures - Jacobin But if we do not arrive as equals, and environmental limits continue to press against us, we come to the fourth and most disturbing of our possible futures. In a way, it resembles the communism that we began with but it is a communism for the few.

Four futures: life after capitalism | openDemocracy Indeed, his book sketches out four possible futures for life after capitalism. Having a selection of options is perhaps no more comforting than one dystopian image, but at least there's a smattering of hope dotted among some of the more appealing sets of outcomes that he provides. Four Futures: Life After Capitalism review will robots ... Peter Frase gives four answers to this question in Four Futures: Life After Capitalism. He offers two heavens and two hells: two ways that automation might facilitate a flourishing of human life, and two ways that it might maximise human misery. Peter Frase, Four Futures: Life After Capitalism | Peace News Frase labels his four possible futures Communism, Socialism, Rentism and Exterminism. In the two Abundance futures (Communism and Rentism), we address our current ecological crisis and it is possible to use all our robot technology to provide a high standard of living for everyone.

Four Futures: Life After Capitalism Four Futures is part of Verso's Jacobin series, featuring short interrogations of politics, economics, and culture from a socialist perspective. The books offer critical analysis and engagement with the history and ideas of the Left in an accessible format. Four Futures After Capitalism | Hinesight...for Foresight Filed Under: After Capitalism, Books, Foresight Tagged With: after capitalism, automation, communism, ecological crisis, exterminism, foresight scenarios, future, rentism, socialism About Andy Hines Dr. Andy Hines is Program Coordinator at the University of Houston's Graduate Program in Foresight, bringing together the experience he earned as an organizational, consulting, and academic futurist. 'Four Futures' | Commonweal Magazine Peter Frase's Four Futures: Life After Capitalism envisages a heaven of communist abundance for all and a hell of exterminism, where the marginal are simply disposed of. Those two possibilities arise out of Frase's provocative typology of four potential conditions for future politics.

A Review of Peter Frase's Four Futures - Center for a ... Four Futures: Life After Capitalism (London and New York: Verso, 2016). Frase's book builds on Rosa Luxemburg's prediction a hundred years ago in the Junius Pamphlets that bourgeois society stands at the crossroads, either transition to socialism or regression into barbarism. Specifically, he sketches in very broad strokes two versions of socialism and two versions of barbarism as possible alternative futures all resulting from large-scale automation.
