Best of all, it's never too late to update your existing intro or even to create an entirely new one. Lecture 1: Introduction | Video Lectures | Introduction to ... Let's just look here and get us some perspective on this because, the fact of the matter is, is that multicellular life forms, like ourselves, we have, the average human being has roughly three or four or five times ten to the thirteenth cells in the body. That's an interesting figure.

Introductory Lecture - chiark.greenend.org.uk A.E. Housman's introductory lecture as professor of Latin at University College, London, in 1892 Every exercise of our faculties, says Aristotle, has some good for its aim; and if he speaks true it becomes a matter of importance that when we exert any special faculty we should clearly apprehend the special good at which we are aiming.
